OVERVIEW

Your body is a work of art. Why entrust it to anyone other than a skilled plastic surgeon? Dr. John LeRoy possesses the keen eye and drive required to get you the best results possible and sculpt the body you have dreamed of. He has performed procedures for the breast, body and face since 1992, including breast augmentations, lifts and reductions as well as tummy tucks and liposuctions. His board certification from both the American Board of Plastic Surgery and the American College of Surgeons speaks volumes for his skill. The next time you think of investing in your looks, consider the expertise of board certified plastic surgeon Dr. John LeRoy.
